Our Demo Accounts are designed to help you explore trading platforms and develop your strategies with confidence. Here’s what you should know about opening a Demo Account with Windsor Brokers:

MetaTrader 4 (MT4): You can open up to 2 Demo Accounts at a time.

MetaTrader 5 (MT5): You can open up to 3 Demo Accounts simultaneously.

Virtual Funds: You can easily replenish your demo account by using the “Add Virtual Funds” option located under the Demo tab in your web client portal or Windsor Brokers App.

Account Duration: Each demo account remains valid for 1 year from the date of creation.
