Can I apply to be a Provider and a Follower?

WB Copy Trading · https://windsorbrokers-chn.com/knowledge-base/wb-copy-trading/can-i-apply-to-be-a-provider-and-a-follower/

Clients can be both Providers and Followers, but they will be using different accounts. A Provider can choose an existing funded MT4 account to trade from, while a Follower will have to create a special MT4 account that will be used solely for the purposes of copy trading. Note: Followers will not be able to manage this account manually.
